15 February 2010

Attention: Club Race Secretary

The next meeting of the Association will be held at the **Manly Club** on **Wednesday 24th February 2010** at 7.30pm.

In the last circular, I notified that there are currently two **vacant positions** with the NSW 16ft Skiff Association – Assistant Secretary and Hon. Auditor. To date, I have not received any nominations for either of these positions. Both positions are ideal for someone to get involved with the Association, without too much of a time commitment.

The **100th Botany Bay Championship** will be hosted by the St George Sailing Club on Sunday 7th March 2010. The Club has managed to secure \$4,000 in prizemoney for the event. As it is not a NSW Association event this season, entries will need to be lodged directly with the St George. There is no entry fee. See the attached notice for further details, including prizemoney break down.
