18 October 2008

Attention: Club Race Secretary

The next meeting of the Association will be held at the **Georges River Club** on **Wednesday 29th October 2008** at 7.30pm.

Some clubs still have not forwarded all or some of their **skiff registration forms**. These **MUST** be lodged by the next meeting. All skiffs sailing with an affiliated club in NSW, whether they are entering interclub regattas or not, **MUST** be registered with the NSW Association.

Please do not send any money with registration or regatta entry forms as an invoice will be sent to each Club by the Association Treasurer early November.

Entries for the **State Championships** or individual entries for **Port Hunter** and **Georges River Regattas** close at the next meeting.

Advice has been received from the Secretary of the Australian Association that voting has been finalised on the Notice of Motion lodged by RQYS to amend the Class Rules to effectively allow carbon poles and booms. The motion was lost. Only four clubs voted (2 for and 2 against).

A reminder that any crews or supporters wishing to camp in the grounds adjacent to Illawarra Yacht Club during the Australian Championship series next January **must** make arrangements with the Club **as soon as possible** or you will miss out being allocated a spot. Contact the Club Manager, Scott Hawkin (scott@ivc.com.au or phone (02)4274 6622. An alternative contact is Commodore Todd Lindsay (ttrconst@optusnet.com.au).
