Presidents Report 2013/14

The 2013-14 season has been a good one for the QLD 16ft skiff fleet. We have had many successes and reasons to dream of a bigger and better future. We have thought outside the square in a bid to gain interest in the class from people outside our current group of competitors. In order to keep the momentum going we need input and continued effort from both our committee and you, the members.

Two new ideas we trialled this year were the:

- QSSA skiff training day and,
- Short course racing in state titles

The QSSA skiff training day saw 16ft skiff champion Clint Bowen travel to Brisbane to take the QLD skiffies through two days of training. It was a first in my time as a member of the QSSA and I believe a step in moving the QLD fleet closer to the front of the pack. Clint went through everything from race and regatta preparation, to boat setup and the execution of skills such as tacks and gybes. This was a successful training weekend which will be replicated this season and an event for the committee to build on in the future. This season we plan to host a similar event specifically for our young up and coming skiffies in training.

The 2013-14 state title was another great event that was aimed at increasing supporter interest. We conducted heats at BSS, RQYS and Darling Point Sailing Squadron. The final heat culminated in three short course races at Brisbane Sailing Squadron. The feedback from spectators on the day was positive. The racing was close and hard fought which the supporters thought was fantastic. We even had some expert commentary from Mr Stephen Geck up on the deck to create an exciting atmosphere. The QSSA released a survey this year to gauge ideas from members and supporters with the aim of building a bigger and better event for the upcoming season. The survey results will be presented in the general meeting following the AGM.

Another great achievement for the year was the reinstatement of the QLD 13ft Skiff State Title. It was a team effort and significant investment by the QSSA to get the youngsters excited about skiff sailing again. We have increased the number of junior members through a few initiatives:

- The DPSS skiff training days
- Skiffies in training t-shirts
- The QSSA training day
- Junior joy rides

It is critically important for the future of our class to keep focus on the next generation and to continue making our class accessible to junior sailors. This effort has resulted in two crews buying 13's, which is a great step in rebuilding the 13ft fleet. Proof that the 13ft skiffs have been good for QLD is in the results. In the 2013-14 season former 13ft skiff sailors won the QLD 16ft Skiff State Title, the Beresford Cup and the BSS Club Championship. Thanks to those that have helped with these initiatives and I hope to see this continue in the coming season.

Thank you to the QSSA committee – Lauren and Simon Walker and Jennifer Hawgood for your hours of continued effort over the past season. Thank you to the members that have assisted in getting junior sailors out in skiffs.

A thank you must go to both DPSS and BSS who have given the QSSA endless support. They have given us great venues to sail at, supported our events and worked with us to make the season a success.

I would like to recognise all competitors for making it a close and exciting season and also congratulate the 2013-2014 winners especially:

- RW – QLD State Title and Beresford Cup
- Water Wisdom – QLD Sprint Champions

- Richers Transport – Newcomer Sam Martel won the 13's QLD State Title

I appreciate the support I have received from the committee and the members. Lastly, I look forward to seeing the young guys and girls coming through and watching them inch closer to getting some Queensland hands on the Australian trophy.

Regards,
Kye Hawgood
