11. Nationals

- 11.1 All heat sponsors have now been secured.
- 11.2 Jet Master fire places have donated a BBQ to the QLD association to raffle off and help raise money.
- 11.3 Many minor sponsors have also been secured who have donated items such as shirts, coolers, trophies, ECT. A lot of this will be used in the crew bags.
- 11.4 Concerns were raised with the lack of boats entered if there will be enough spectators on the Lady Brisbane to cover cost. It is felt between the 16's and 13's there should be enough people.

12. General Business

- 12.1 It was mentioned that a lot of sailors are incorrectly referring to the "Lady Brisbane" as the "Lady OF Brisbane". Can all sailors please be aware of this.
- 12.2 A discussion was held on what responsibilities, if any, will the QLD Association have at the Hervey Bay Nationals. It is believed that this carnival will be run by the Australian Association and that QLD will have minimal involvement. It was mentioned that this should be discussed at the meeting at the Australian titles.
- 12.3 Brad addressed the meeting on the format of the States. He stated that if the current State program continues that 2 races should be dropped. This and other issues were discussed and it was decided that this should be discussed in the New Year and if any changes to the State format made then this should be decided on well before the next season.
- 12.4 The Association would like to wish all sailors the best of luck that are competing over the Christmas break.
Also best of luck to Simon Walker and Lauran Thorburn who will be getting married this weekend.
