11. General Business

- Noted that it was a great effort from all involved in raising money to send our boat to the Aust nationals. All monies raised were split between the boats.
- Discussions were held about continuing fund raising so that travel money can be given for boats travelling to the Sprints in Belmont and Hervey Bay at Easter.
- Discussions were held about how to get more boats (13's and 16's) back on the water. PH & AG have said they will be taking younger sailors out in the 13's in the New Year along with other ex 13 sailors. JM raised the point that there is a lot of 16's sitting around not being sailed and it would be good to see them back on the water. It was discussed that we try and host a Dust Off Your Skiff Day. This will be organized for next year and will be promoted to all ex skiffies. LW added that we should be trying to take the young Sabot kids out for a sail before races. Sabot sailors will be notified the week before, at the clubs that the 16's will take them out for a joy sail before club races the following week.
- Travel money will be given to boats going to Belmont for the Sprint, but an amount has yet to be decided.
- No meeting will be held in January owing to Christmas holidays and sailors being away at Nationals.
